Dunmail Manor is a purpose built development designed for independent living for the over 55's, situated in the heart of Cults, one of Aberdeen's prime west end suburbs. With a resident warden on the premises, lift access, and pull cords in every room which provides 24-hour assistance, Dunmail Manor offers a safe and comfortable environment for the elderly, maintained under a service charge which includes buildings insurance. Situated on the lower ground floor with entry from South Avenue as well as Dunmail Avenue, No 2 is a beautifully presented one bedroom flat with a westerly outlook and access to the garden from the bedroom. The flat is beautifully presented with fresh and tasteful decoration, allowing potential buyers to move with ease. It has a good level of storage, a modern kitchen with quality appliances and a lovely shower room with the usual mobility aids.

The layout includes a lounge with two windows and a west facing outlook. Adjoining is the kitchen which features a good range of modern white wall and base cabinets, laminate worktops, splashback tiles and it has an electric hob, oven, extractor, fridge and a washer dryer. The bedroom has the same outlook as the lounge and with a floor to ceiling window that opens to allow egress to the garden, it is bathed in natural light: it features wall to wall fitted wardrobes with mirrored doors that also houses the hot water cylinder. The shower room is

centrally positioned and it has a large aqua panelled enclosure with electric shower and vanity furniture that incorporates a toilet and wash basin. A large walk in hallway cupboard with light provides additional storage and houses a freezer.

Early viewing recommended to appreciate the many qualities on offer and an early entry may be given if required.
