Description

This striking three bedroomed detached family home commands an idyllic setting, situated within charming, beautifully nurtured gardens which back onto a bridge and burn at the rear. It offers an excellent opportunity to escape from the pressures of the city, and yet is not isolated, and within commuting distance of Peterhead, Inverurie and Aberdeen. This traditional cottage has been altered and upgraded throughout to suit the sellers' needs, and comprises a welcoming hall, a most attractive fully equipped kitchen/dining room on open plan, a utility room, a formal lounge, a double bedroom and a striking bathroom with separate shower on the ground floor with a carpeted staircase leading to two spacious double bedrooms on the upper floor. The property benefits from full double glazing and oil central heating and has been well maintained throughout. An extensive driveway with turning point gives access to the spacious garage and workshop. Worthy of particular mention, the sellers have spent a great deal of time and thought creating a beautiful cottage style garden and a well appointed seating area backs onto the bridge and the burn and also boasts tremendous open views. Early viewing is strongly recommended to fully appreciate.

Location New Deer is approximately a 40 minute drive from Aberdeen and is well served with all the necessary amenities including a variety of shops and modern Health Centre. Primary School children would attend New Deer Primary School with secondary education available at Mintlaw Academy. The villages of Cuminestown, Methlick and Fyvie are also situated only a short drive away.

Directions

From Ellon, proceed north out of the town along the A948 Auchnagatt/New Deer road and proceed for approximately 14 miles until reaching New Deer. Proceed straight through New Deer and continue along, turning left at the crossroads at the sign for Greens. Proceed along this road for approximately two miles until reaching the property, which is on the right hand side just as you go over the bridge, as indicated by our For Sale board.
