Description

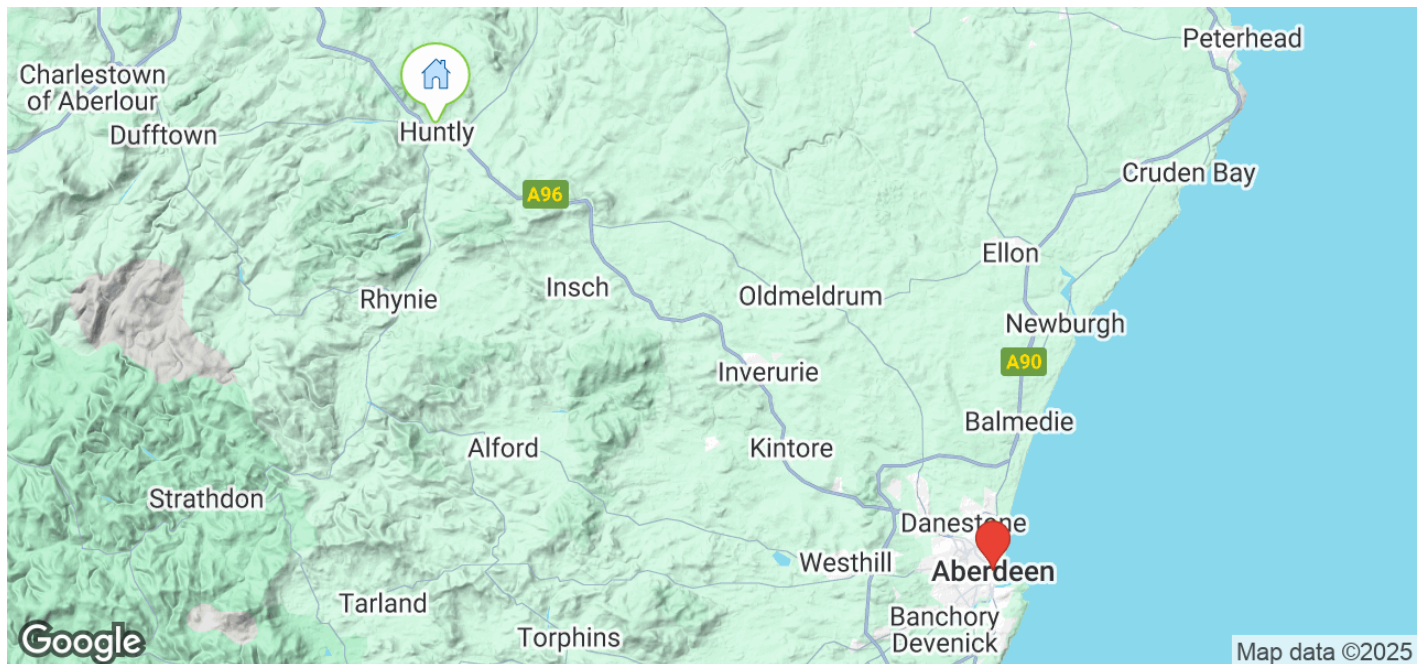

3 Ogilvie Avenue Huntly is perfectly located in a highly popular residential area of the town of Huntly. The property has been **fully refurbished and renovated** and now provides a **modern detached Bungalow** with a wide variety of appealing features. The fully detached dwelling house has easily maintainable gardens to the front and rear with off street parking for several vehicles. The property benefits from full double glazing and gas central heating throughout and all rooms in the property are spacious with the bedrooms in particular providing en-suite facilities. It is often said Huntly lacks bungalows which are up to date and in tune with modern taste. This bungalow fulfils the criteria.
